

St. Patrick/St. Michael Parish Minutes

from Pastoral Council Meeting

October 21st, 2008

7:00 p.m.

Our meeting began with a prayer led by Thom Rabaglia. All council members were present except Peg Hilliker, who is recuperating from surgery. Also in attendance was Trustee, Herb Karls, Ray Ostertag, who gave a report on the Building and Grounds Survey, Sharon Sellner, who gave reports on Trusting in the Spirit and Stewardship.

Rick Mills gave us a report on a the roofing repairs that have begun at St. Michaels. He stated that this is the first phase of the project and will be completed this fall. There needs to be additional repairs to the roof of the school and church and that will probably begin next spring/summer depending on the fundraising success. Rick told us that the entire project will probably run approximately \$100,000.00.

Sharon Sellner reported that our ministry fair will be postponed until spring. There was discussion regarding the turnout of our parish festival. Preliminary reports show an approximate profit of \$19,000.00. That is down from \$21,000.00 last year.

Father brought copies of new guidelines from the diocese regarding parish council, finance council and trustees. We will review these to ensure our councils and committees are in line with cannon law and the diocese guidelines.

Father asked us all to keep him notified of all meetings, etc. by e-mail to his St. Patrick's e-mail address which is 'Fr.Higuera@saintpatrickinlodi.org'

Our meeting was then adjourned with a prayer.

**Our next combined Councils, Committees and Commissions meeting will be
November 18th at 7:00 at St. Patrick's.**
